20' HYDRAULIC BOOM MOWER

LR50160 20' HYDRAULIC BOOM MOWER

The Hardee LR50160 is a hydraulic boom mowers with a 4-axis single joystick control and proportional control valves for fine metering. It features vertical and horizontal breakaway hydraulic valves with no-drift load holding capabilities. The LR50160 is compatible with Cat. 2 & 3 3-point hitches and quick hitch spacing.

KEY FEATURES

- Extended life hydraulic vane pump and motor with instant start-up.
- Flip-up cutting gate to reduce wear on the tractor and mower.
- Capability to fold behind the tractor for compact transport.
- includes a replaceable 100-mesh strainer, spin-on filter, lubrication wear point grease fittings, and a self-contained hydraulic system with an oil cooler for high-temperature operation.

OPTIONS	
PUMPS	
540 PTO RPM	
1,000 PTO RPM
